A Message From Mr. Woods

I sincerely wish each and every one of you a future filled with success and happiness. Four years doesn't seem like a long time now that you are looking back at your years at WHS. You probably have some very vivid memories of some of your days here as freshmen. Now that those days are over and you have journeyed through your sophomore, junior and senior years, I would like to ask that you reflect on that journey and try to focus on the good times, the positive experiences, and, most of all, all those who helped you through your four years. The events of September 11th have certainly had an impact on all of our lives and I'm sure will affect our futures.

Each of you has made a valuable contribution to WHS. Whether your strengths are in academics, athletics, art, music, or drama, what matters most is that you arrived here every day with a positive attitude and a pleasant and courteous manner. That is what you will be most remembered for.

Now is the time to continue your journey beyond Wilmington High School. I wish you well. May every experience you have teach you and guide through you're your life and help you to fulfill your dreams.

Sincerely,
Mr. Woods

Dedication

For many years the students at Wilmington High School have had the privilege and pleasure of being taught by the eight incredible teachers that are retiring this year. These teachers have gone beyond the call of duty. Their countless hours of dedication and service have had a tremendous impact on the lives of their students. When students left their classrooms they had learned more than just reading, writing, and arithmetic. The students had developed qualities that would help them face the problems that life presents. Wilmington High School is a better place because of these teachers. It is with admiration and gratitude that the 2002 Hourglass is dedicated to: Leslie Basmajian, Frances Fiorilla, Betsy Grecoe, Daniel Grecoe, Louise Netten, Norma Rushton, Anne St. Onge, and Janet Cassidy-Wood.

Thank you and Good Luck in the future.

Remember the memories, good and bad, just don't live in the past, keep your head up and towards the future, break free from the hold of this small town school, the gossip, the rumors, the classism, cherish the friendships you maintain, the teachers who've inspired you and opened you up to the outside world, Remember the ones, you've grown closer too, and the ones you've drifted away from, all have affected your life, and made you the person you are today, be thankful to your enemies, for they have made you stronger, and allowed you to realize you are human, value your friends, they love you for your faults, Remember everything you've been through, and look forward to everything you'll experience, find yourself and your place in the world, Remember this small town school, the values you've gained, Forever I will remember you as you will me

It is I, Goat, I am simply Goatilicious. I guess I should thank my mom and dad, siblings, friends, teachers, coaches and anyone else who helped me out along the way. High school was some of the most fun that will ever be had and I will miss it. I will personally miss each and every aspect of it from the classes to the lunches to the ISS room. And of course there is wrestling, which probably kept me in school. With all that said I want to give shoutouts to everyone: Johnny the Mac, Cory, Roman (WarGods), Callinan (The LB), Taryn, Herra (#7), Stahce $, HapeDawg, Phil O'b, all the WHS wrestlers (past and present) and all the other important people out there. We are finally GRADUATING! Although I never knew I would be doing so from here. Looking back, however, I never knew where I would be each year I was overseas anyways. 18 years have passed. Among them, 8 years in the US, 7 years in Israel, 1 year in Italy, and 2 years in China. **To God**: thank you for watching over me. **To Mom and Dad:** thank you for putting up with me all these years and for deciding to go overseas. **To Flynn:** I'm not communist. **To Peter and everyone else who have asked many times, "Who are you?":** I'm John Freeman. **To the kid who keeps calling me "China":** how's your ankle? **To Sang**: "I'm going to start a young democrats club." **To my teachers:** thanks for a great year. Finally, I'd like to wish everyone good luck in what lays ahead. Confucius said, "A man can develop the way, but there is no way that can develop a man."

In August of 1998, 162 students entered Wilmington High School; we were now the class of 2002. Few realized that over the next four years our experiences here would bond us together forever as the class of 2002. Our principal, Mr. Woods and the vice principal, Mr. Lucia introduced us to Wilmington High School and many new regulations. From here on in the only way to set foot outside the classroom was with a hallway passport. We elected Kathleen Walsh as our president; Andrea Tuttle as our vice-president; Danielle Cleary as treasurer; and Jessica Jackson as secretary. We witnessed the opening of the now famous "Munchie Mania." The annual Thanksgiving football game was thrilling and the Wildcats defeated the Tewksbury Redmen. All the Wildcat fans rushed to the field to congratulate the victorious cats and together sang the fight song. The hockey team won the CAL championship and had an outstanding performance in the state tournament. We all looked forward to the Freshmen Fling that was held on April 9, 1999 in the cafeteria. However sadness overwhelmed many when we learned of the tragic shooting at Columbine High School in Littleton, Colorado.

Sophomore year arrived along with four new class officers. Chris McHale was elected president; Colleen McMahon became vice-president, Julie Cronin treasurer, and Lisa Antonageli secretary. This also marked the arrival of the new millennium. WHS sports also continued to show strong performances. The football team and their cheerleaders became CAL co-champions. The golf team won the league and finished 6th in the state tournament. The hockey team and the softball team both won the CAL title. That year we had a combined semi and fling, which many called the "Flemi". It was held on April 28, 2000 in the gymnasium.

Junior year came along and Jackie Rubino became our president. We began looking at colleges while our sports teams continued to improve. The golf team finished an outstanding season by winning the state championship. Wildcat fans gathered to watch the football team defeat Tewksbury and also become CAL co-champions. The hockey team won the CAL title and played well in the state tournament. The softball team once again won the CAL championship. We all enjoyed the junior prom that was held on April 27, 2001 at the Hillview Country Club in North Reading. The Junior Prom King and Queen were Jack Webb and Colleen McMahon. Before the close of school we all mourned the death of a beloved teacher and coach, Dick Scanlon. His unrelenting support and dedication is continuously appreciated and he is greatly missed.

Senior year proved to be our best year at Wilmington High School. We welcomed our new president, Jeff Hodder. We all showed our school spirit during "Spirit Week" in anticipation for homecoming. The Homecoming King and Queen were George Godding and Judi Weiner. The senior girls showed their football skills in the annual Powder Puff game tying Tewksbury 6-6. The hockey team once again clinched the CAL championship title as did the cheerleading team, and the golf team. The golf team also finished second in the state tournament. Wildcat fans cheered on the boys' basketball team and all were proud when they finished with the best record in school history (20-4) and became a Division 3 North Finalist. Many felt they had problems at WHS but none compared to what was happening in the world around us. We all watched with horror the events of September 11, 2001 and they will forever remain in our minds. We enjoyed one of our last times together as a class at our prom on May 17, 2002 at the Westin Hotel in Waltham. We also had a memorable time and enjoyed many activities at our lock-in. We all yearned to see the world beyond Wilmington High's walls. Although many doubted the graduation of our class (due to Senioritis) our wish was finally granted on June 2, 2002, our graduation. Although we were excited it seemed scary because many of us have been together since we were young. It now seems strange that we will no longer see the same faces everyday. No matter what happens our memories and friendships will forever remind us of our days at Wilmington High School. Good luck to the class of 2002!

FROM CARRIAGE TO COLLEGE

We remember when you were born how small and helpless you felt in our arms. Yet, we were sure no one could have scared us as much as you did. We wanted to keep all the pains and sorrows of life from our Beautiful Little Girl. We wanted to be the best parents a child could ever have..that was our intention. Yet we know we have made so many mistakes along the way, but we did learn no matter how much we loved you, we could not shield you

from the pains of life. All we could do is give you all the love we have and try to be there for you when you asked for help.. We hope we gave you what you needed. As we look at you now, you have become a Beautify Bright Young Woman looking ahead into her future. Oh how you have grown. We are so very proud of you. We want you to know that no matter where you go we are with you and believe in you. Have faith in yourself as we have faith in you.

Love, always, Mom & Dad
